Subject: ACCJC Annual Accreditation Report

Hi, Everyone!

The deadline for submitting the ACCJC Annual Report is approaching. As a reminder, the submission will be electronic and completed by individual colleges. If you're receiving this email, it's because you have information to contribute to the report (or I think you have information to contribute ☺). Please refer to the attachment for "point" person for each item. If this is in error, please let me know. While it isn't necessary that I receive copies of the information, it would be helpful if I knew that the information is being gathered or is complete. This allows me to sleep better and to report accurately on your accreditation efforts to the Chancellor (I'll be meeting with him next week on this topic)!

If I can help in some way, please let me know. Some of the information, particularly on the new programs developed and distance education will be sent to each of you and you will be using what applies to your college. If you have any questions about this, please let me know. David tells me he will have the information for questions 5-13 by this coming Friday.

Thanks for your help.

S
