Also, to find out information about specific classes for the current term, be sure to visit our Class Schedule page. There, you will find the courses that you need to transfer or enter/advance in your career.

During your time with us, Moreno Valley College offers services to support you, including resources that see to your basic needs (food, clothing, and housing through Monty's Market), care for your physical and mental health, aid in paying for college, and help keep you on track and engaged with peers. Visit MVC's Student Support page for detailed information about how we care for all our students.

Mission Statement

Moreno Valley College is committed to educating and empowering our students, providing equitable access to education, and serving our communities. Moreno Valley College's core mission can be expressed in four words: Education, Empowerment, Equity, and Service.

Welcome to the Mountain Lion Family!

Welcome to Moreno Valley College! Congratulations for taking the initiative to attend MVC; we are committed to supporting you in achieving your educational goals. The most important thing for you to know is that you are not alone on your educational journey; you have the MVC faculty, staff, and administrators here to assist and support you! Our college is committed to helping you feel: welcomed, directed, focused, nurtured, engaged, connected, and valued during your time as an MVC student.

Here are some tips that may help you to be successful as an MVC student:

- Choose your educational path early on (program of study and career goal) and work with a counselor to develop a clear and complete education plan to achieve it.
- Manage your time wisely; use a planner or calendar to schedule study time and to keep track of important assignments, exams, dates and deadlines. Develop a study plan and stick to it.
- Stay on your educational path. Meet with an Academic Counselor each semester to ensure that you are taking the classes you need each semester to achieve your educational goal in a timely manner.
- Get connected, engaged, and involved on campus while you are here. Seek out and use college resources. We know that students who are more involved on campus are more successful in reaching their goals, so please take advantage of the excellent programs, services, and resources that we have available.
- Be a full-time student. Successfully complete at least 12 units every semester. Take at least one class during the summer and winter sessions. This will allow you to earn a degree, certificate, and/or transfer much faster than if you enroll part-time. Work with a counselor to balance your course load so your workload is manageable.

Please explore our website and learn about the excellent programs, services, and resources that are available to you. Our MVC team is excited to meet you and assist you in your journey. We wish you much success and we know that you will enjoy your college experience at MVC!

Waitlists and Add Codes

Waitlists

Before the beginning of the term, if a class is closed, you may place your name on a waitlist (if available). If a seat becomes available, you will automatically be added (provided you do not have any student holds and have met any pre/corequisites). Your student account will be charged with the enrollment fees. Monitor your RCCD email account and MyPortal regularly for notices and campus-wide notifications.

The evening prior to the first class meeting, the waitlist system ends. All registered students must attend the first day of class to avoid being dropped.

If you do not intend to remain in a class, you must drop the class by the drop and refund deadlines.

Add Codes

If you are not registered prior to the start of the term, you can attend class the first day to see if the instructor is willing to add you. If authorization to add is approved, the instructor will provide a four-digit authorization code. Authorization codes are not valid on EduNav until the first day of the class and expire on the course add deadline. You may use the authorization code to register on EduNav or in person. Fees are due at the time of registration.

Early Alert

Each term faculty have the opportunity to participate in Early Alert. Early Alert is a program that enables instructors to identify students who are showing early signs of academic difficulty. Studies show that early intervention helps to promote student success. Through Early Alert faculty make recommendations for a student to visit with the instructor, a counselor and/or a tutor. An email is sent to the student's District email encouraging them to take advantage of the recommended services within the next two weeks.

If you receive an Early Alert from your instructor, please do not ignore it. Take advantage of the opportunity to talk with your instructor and access resources on campus.

Remember, we are here for your success!

Rule for Course Repetition

Students are limited to a maximum of three allowable attempts for most courses, including any combination of withdrawals (Ws) or substandard grades (D, F, FW, NC, or NP). Withdrawals due to military orders (MWs) are not included in the number of allowable attempts. Courses enrolled in prior to the summer 2012 term are included.

Academic Success Tips

Prepare for a test

1. Find out as much information about the test as possible from the instructor:
 - Type of test (objective, essay, true/false, etc.).
 - The number of questions and how many points they are worth.
 - The material to be covered.
 - The value of the test toward the final grade.
2. Set up an exam study schedule so that you will not be overwhelmed at testing time.
3. Know your own best time to study. Most people learn best during the daylight hours.
4. Review as actively as possible. Write down information you wish to remember and highlight key concepts in your textbook. Make flash cards to assist in memorization of test material.
5. Make up an exam as if you were the instructor and then take the exam.
6. Pay attention to troublesome points. Make another list for these areas on separate flash cards.
7. Organize your thoughts for possible essay questions. Know the concept about which you are writing.
8. Avoid "cramming" for tests. This is only a temporary measure and is seldom effective.

Take Tests Successfully

1. Get to class early.
2. Be prepared with pen and other materials requested by the instructor (for example: bluebook, scantron answer sheet, etc.).
3. Understand the test instructions. Ask questions for clarification before the test begins.
4. Be aware of how much time you have to complete the test.
5. Skim the entire test first. Note the point value and the types of questions.
6. Answer the easier questions first, leaving appropriate time for the rest.
7. Look for key words on true/false questions such as always, sometimes, never, usually.
8. On multiple choice questions, eliminate the obviously incorrect answer first.
9. On matching questions, answer those items which you are sure of and check them off.
10. On essay questions, outline in your mind how to organize your answer before you begin writing.
11. If you have time at the end of the test, reread all of your answers.
12. Be confident and think positively. Do not let anxiety determine the outcome.

Important College Terms

California Community Colleges

The California Community Colleges system is the largest higher education system in the nation. It is comprised of 72 districts, 112 colleges, and enrolls more than 2.4 million students. Community colleges provide basic skills education, workforce training, and courses that prepare students for transfer to four-year universities. The colleges also offer opportunities for personal enrichment and lifelong learning.

The California State University

Bakersfield, Channel Islands, Chico, Dominguez Hills, East Bay, Fresno, Fullerton, Hayward, Humboldt, Long Beach, Los Angeles, Maritime, Monterey Bay, Northridge, Pomona, Sacramento, San Bernardino, San Diego, San Francisco, San Jose, San Luis Obispo, San Marcos, Sonoma, and Stanislaus comprise the California State University educational system.

The University of California

Berkeley, Davis, Irvine, Los Angeles, Merced, Riverside, San Diego, San Francisco, Santa Barbara, and Santa Cruz.

Independent California Colleges (Private College)

Approximately 75 colleges/universities are affiliated with an association of the same name (AICCU).

Semester System

The College's semester is 16 weeks, with short-term classes available at eight weeks and six-week during the winter term.

Quarter System

Ten weeks of instruction offered three times a year during the fall, winter and spring.

Full Time/Part Time

Based on a number of units a student is considered either full time (12 units or more) or part time (11 units or less). The number of units is used to determine fees.

Lower Division

Courses offered for freshman/sophomore level credit.

Upper Division

Courses offered for junior/senior class level credit.

Undergraduate

Courses offered for freshman/senior level credit. Also, students who have not completed a bachelor's degree.

Transfer Program

A community college that provides the first two years of transferable credits (60-70 units) in preparation for a bachelor's degree.

Major

A specialized field of study that a student chooses to pursue which leads to a bachelor's degree and preparation for a career.

Minor

A secondary field of study outside of the major field. Some degree programs require a minor.

Field of Interest

A grouping of Programs of Study that has related courses and career areas. The purpose of Fields of Interest is to assist students in selecting a Program of Study based on their interests. The Fields of Interest are as follows:

A system where you do not receive a letter grade for taking a course. Depending upon the student's achievement in the class, Pass (P), No Pass (NP) will appear on his/her transcripts. Deadlines for selecting pass/no pass are in the class schedule.

Transcript

The compilation of the student's grades, credits, honors, etc. received throughout his/her college career.

Impacted Program

Some majors at colleges may be declared impacted because they receive more applications than program space allows. Impacted program applicants must normally apply during a specified time period and participate in a competitive selection process.

General Education/Breadth Requirement

Students are expected to meet course requirements regardless of major. The UC, CSU and many independent colleges have articulation agreements with Moreno Valley College, allowing students to complete their general education at MVC before transferring to a university. More information can be obtained through the Transfer Center.

Assessment Center

Academic success in college is dependent on having strong basic skills in English and mathematics. English and mathematics placement at Moreno Valley College is simple! Students are asked a short series of questions about their high school classes taken, grades received in those classes and overall cumulative GPA. Students will either provide this information in their CCCApply community college application at the time that they apply to the College or through the survey available in [MyPortal](#).

After placement, students can ask questions and discuss their placement with their educational advisor or counselor. If you are a new student or need to determine your placement in English or mathematics, or have questions about your placement, visit your engagement center for help.

Students who wish to take English as a Second Language classes should use the online guided self-placement tool to help determine placement into ESL courses. Some returning students and students transferring to RCCD from another college may need to complete a placement survey (consult a counselor). MVC also offers placement exams in Spanish and Chemistry.

Class and Study Hours to Meet WTW Requirements Study Time

Open Campus Course Attendance/Class and Study Time

Distance Education offers online, hybrid, and web-enhanced courses through Open Campus. The goal of the Distance Education program is to make learning available anytime and anywhere for students who find it difficult to meet on campus at scheduled class times. Open Campus courses are academically equivalent to on-campus courses and fulfill general education, elective, and/or major requirements, with many classes transferable to four-year institutions.

Online courses are taken exclusively over the internet with no on-campus meetings required.

Hybrid courses meet on-campus and online; like traditional face-to-face courses except 50% of the on-campus class meetings are replaced with online assignments.

Web-Enhanced courses are traditional face-to-face classes that include course websites, online books and/or use of Blackboard for assignment submissions. Unlike hybrid courses, web-enhanced class meetings take place on-campus.

Distance Education (online) courses deliver lectures online and are equivalent to the traditional on-campus courses requiring the same number of hours in attendance, homework and study time per week.

Study Time

Riverside Community College District recommends students have three hours per week of study time for every unit of class time.

Class Time

Course Units:	Class Hours Per Term:	Unsupervised Study Time Per Term:	Recommended Study Time Per Term:
1 Unit	18 Hours	18 Hours	36 Hours
2 Units	36 Hours	36 Hours	72 Hours
3 Units	54 Hours	54 Hours	108 Hours
4 Units	72 Hours	72 Hours	144 Hours
5 Units	90 Hours	90 Hours	180 Hours
6 Units	108 Hours	108 Hours	216 Hours

The chart converts units to hours spent in class along with the recommended study time per term. The fall and spring semesters are 16 weeks, short-term courses are eight weeks, and summer and winter terms are six weeks. To calculate hours per week divide hours per term by number of weeks in term.

Academic Counseling and Educational Advising

Counseling Services and Engagement Centers

College can be stressful and confusing. The Counseling faculty and Advising staff at Moreno Valley College are here to help you reach your academic goals. Counseling and Advising Services:

- Support with application, orientation, and registration
- Referral to resources across campus
- One-on-one personal counseling
- Career counseling
- Transfer services

Abbreviated and Comprehensive Student Educational Plans (SEPs)

Academic planning is one of the most important things that you can do in college. Think of it like embarking on a lengthy trip – you wouldn't set off without a map, right? Similarly, as you undertake a significant voyage toward your academic goals, having a map becomes crucial. And that's precisely what the Student Educational Plan (SEP) represents – your map. In collaboration with a counselor, you will craft the SEP, a document that outlines the blend of classes and resources tailored to guide you toward achieving your educational objectives. There are two versions: an abbreviated SEP for a single semester, which can be completed with an Educational Advisor, and a comprehensive edition that spans from your current point to graduation or transfer, which needs to be completed with a Counselor. If you are having trouble deciding on an educational objective, Counseling can also help you with a combination of appointments, including guidance classes, workshops, and referrals to the Career Transfer Center. It's worth noting that every Moreno Valley College student is required to complete a comprehensive Student Educational Plan. This should be done after you've accumulated 15 units or before you wrap up your third semester. Let the Counseling team be your guide in mapping out the path to turn your educational aspirations into reality!

Career/Life Planning:

- One-on-one personal counseling
- Career counseling
- Transfer services
- STEM counseling

Puente Program

The Puente Program, a national-award winning program, is an innovative combination of accelerated writing instruction, intensive academic counseling, and mentoring by members of the professional community. Puente is co-sponsored by the University of California Office of the President and the California Community College Chancellor's Office. The Puente Program has been active at Moreno Valley College since 2001 and has helped students achieve college success. Puente is open to all students and is committed to helping students develop strong writing skills, develop academic and personal goals, and transfer to four-year universities.

Mission

The mission of the Puente Program at Moreno Valley College is to increase the number of educationally underrepresented and underserved students who enroll in four-year colleges and universities, earn degrees, and return to the community as leaders and mentors of future generations.

Puente Components

Puente students commit to a rigorous two-semester English and personal development sequence and a summer college preparation course. They work closely with an English faculty member and guidance counselor to prepare an academic plan to transfer to four-year institutions.

Students also meet regularly with a professional mentor from the community.

Intensive Writing Instruction:

- Introduces multicultural literature to foster stimulating classroom discussions.
- Uses culturally relevant teaching methods to draw on the student's cultural and personal strengths.
- Provides an academically supportive environment.
- Conducts writing workshops allowing students to work in small groups (familias).

Counseling

Puente students have access to direct counseling services. The Puente counselor coordinator works closely with Puente students and is available to meet with them on a one-on-one basis. Puente students in the program are expected to meet with the counselor for personal counseling, to complete or update a comprehensive student educational plan, to go over topics related to major requirements, life planning, career exploration, and transfer requirements, among other topics.

- Prepares students for transfer to four-year colleges and universities.
- Provides classroom activities to encourage personal development.
- Develops an academic educational plan and assists with career exploration and planning.
- Maintains contact with Puente students and continuous counseling is available until the student completes their academic goals.

Mentoring Professionals from the Community

Each Puente student is matched with a mentor from the business or professional community. Mentors share with students their personal, academic and career experiences, and provide a window into "real life" work environments.

Transfer

Puente students have many transfer opportunities open to them including:

- Annual UC Transfer and Motivational Conference
- Transfer Fair - fall and spring semesters
- Southern CA University Visits (Examples: UC Riverside, UC Los Angeles, UC Irvine, CSU San Bernardino, UC San Diego, among others).
- Northern CA University Visits (Examples: UC Santa Barbara, San Jose State, San Francisco State, UC Berkeley, Stanford, among others).
- Puente Club: Leadership and Community Activities

Student Activities

Get Involved with the Associated Students of Moreno Valley College (ASMVC) - Student Government at Moreno Valley College

The Hub of Campus Life

The Student Activity Center and ASMVC serve as the heart of student engagement at Moreno Valley College, providing meaningful “outside the classroom” experiences through civic involvement, cultural enrichment, and leadership development. ASMVC operates from this space, inviting students to join student government, participate in clubs, and take part in events held throughout the academic year. From festive favorites like Eggstravaganza and Trunk-or-Treat to cultural celebrations and dynamic campus activities, ASMVC is committed to creating opportunities that connect, empower, and inspire our student community.

Associated Students of Moreno Valley College: Student Government & Leadership Structure

ASMVC is tasked with representing student interests and fostering leadership development. The ASMVC is also responsible for representing the social, political, and educational concerns of MVC students. Their purpose is to develop student leaders and provide them with the skills to expand their learning. Involvement in the ASMVC is composed of four branches: the Executive Cabinet, Senate, Inter-Club Council and Events Planning Council. The Coordinator of Student Activities serves as the Faculty Advisor to ASMVC. Students who are involved develop interpersonal communication, budget, event planning, legislative skills, programming experience and much more!

Executive Branch: Includes Student Body President, Vice President, Senate Pro-Temp, Event Planning Council (EPC), and Inter-Club Council (ICC) Directors and Co-Directors.

Legislative Branch (Student Senate): The Legislative Branch of ASMVC is composed of elected Student Senators who serve as the official voice of the student body. Senators are responsible for reviewing and allocating funding to recognized clubs and organizations, passing legislation, proposing amendments, and initiating programs and student-led initiatives. As key decision-makers, they help shape campus life and advocate for student needs. Senate meetings are held weekly in the Student Activities Center Conference Room and are open to all students.

Events Planning Council (EPC): The Event Planning Council (EPC) is responsible for organizing campus-wide and multicultural events for the student body and local

community. It’s an ideal opportunity for students who enjoy planning and coordinating special events that enhance student life and celebrate diversity. EPC also promotes multicultural awareness by providing students a platform to plan and host cultural activities that support multicultural education and engagement.

Inter-Club Council (ICC): The Inter-Club Council (ICC) provides a space for club representatives to promote their organizations, share upcoming events, and collaborate with other campus clubs. The ICC encourages inter-club cooperation and helps strengthen the overall student community. Meetings are open to all students and are led by the ICC Student Director. The Coordinator of Student Activities serves as the Faculty Advisor to ICC.

The Student Trustee is the elected representative of the ASRCCD. The ASRCCD student trustee is a non-voting member of the RCCD Board of Trustees. The student trustee also chairs the Student District Consultation Council.

ASMVC Ambassador: The ASMVC Ambassador participates in shared governance by attending assigned college committee meetings and providing monthly reports to ASMVC leadership, ensuring that student perspectives are represented and information is communicated back to the student body. Through this role, students gain valuable experience in advocacy, collaboration, and civic engagement while contributing to the success of the MVC community.

If you're interested in learning more about how to get involved, stop by the Student Activities Center, located behind the Lion's Den and the Bookstore. We're open Monday through Friday and happy to answer any questions you have about events, clubs, organizations, and ASMVC.

Student Benefits & Funding

ASMVC is funded through the student services fee paid by MVC enrollees. This covers events, student clubs, discounts at local businesses, free campus activities, book loans, and recognition banquets.

Student Financial Services

The Student Financial Services (SFS) department strives to assist students in reaching their educational goals by providing information and assistance for financial aid programs. The SFS department will educate students on how to apply for various types of financial assistance, offer financial aid academic counseling, and will provide a variety of resources to students in order to inform them about financial aid. Through continual staff training and software updates, the SFS department strives to provide an accurate and efficient environment for staff and students. The SFS department staff will receive training regarding new policies and procedures through on- and off-campus sessions and conferences as well as visits to other community colleges to learn best practices.

Free Application for Federal Student Aid

The initial application used in applying for financial assistance is the Free Application for Federal Student Aid (FAFSA). The FAFSA is available online at www.studentaid.gov and workshops are available throughout the year to assist students with completion of the FAFSA. For workshop times and dates, visit www.mvc.edu/financialaid under Events and workshops. The FAFSA application must be completed each academic year. The MVC Federal School Code of 041735 must be listed on FAFSA record(s) in order for the department to receive your application. If you are a Riverside City College or Norco College student, please make sure to list the school code for your home college on the FAFSA. You can locate school codes by selecting the School Code Search link on the main page of the FAFSA website.

The FAFSA is available October 1 of each year and will determine eligibility for the following academic year. It is recommended that the FAFSA be completed prior to March 2 to ensure priority processing and to maximize your funding. Once you have completed your FAFSA, results will be sent to MVC.

You must have an RCCD admissions application and your Social Security number on file in order for your FAFSA to be received by the College.

If you are considered a dependent student and cannot provide your parents' information on the FAFSA, we ask that you first complete the FAFSA and submit it online. If, after completing the FAFSA, you are still required to provide your parents' information and are not able to, please visit the SFS office at your home college and ask to speak to staff regarding a Petition for Independent Status (Dependency Override).

RCCD students will receive financial aid disbursements via BankMobile Disbursements.

For more information about BankMobile, visit this link <http://bankmobiledisbursements.com/refundchoice/>.

California College Promise Grant

The California College Promise Grant (CCPG) is a state program which waives enrollment fees for qualifying California resident students. If determined eligible, the CCPG will waive enrollment fees for the entire academic year, beginning with summer and ending the following spring. During the fall and spring semesters, the parking fee will be reduced to \$30 per semester. The CCPG does not pay for books or other educational supplies, student services or health fees, or additional class fees (such as art and CPR fees as listed in the schedule of classes). To apply, complete the Free Application for Federal Student Aid (FAFSA) online at studentaid.gov and list MVC (school code 041735) or the California Dream Act Application (CAADA) at <https://dream.csac.ca.gov/> and list school code 04173500 as your home college. You will receive an email in your RCCD student email account notifying you when your CCPG eligibility is available on MyPortal, under My Awards or Offer Letter. No other application is required.

If you are not a California resident, you may be eligible to apply for:

- A nonresident tuition exemption through the AB 540 program if you meet specific requirements and are an undocumented immigrant student. See Admissions & Records for additional information or view our consumer guide online.
- A nonresident tuition deferment if you are eligible for financial aid. This deferment is to assist students in securing enrollment while waiting for student grants and/or student loans to credit their Admissions and Records account balance. Nonresident Tuition Deferment Forms must be submitted each semester and/or 30 days within disbursement of Stafford Direct Loan funds.

For more information, view the Information for Nonresident chapter in the consumer guide located at the bottom of our web page www.mvc.edu/admissions-aid/financial-aid.

California College Promise Grant Eligibility

Under the new regulations of the Board of Governors' Student Success Initiative, students will lose eligibility for the

More Student Financial Services

CCPG if they are on academic probation for two consecutive primary terms (fall and spring semesters are primary terms). Loss of eligibility will become effective at the first registration opportunity after such determination is made. Foster youth are exempt from this change and will not lose the CCPG eligibility based on academic probation. Students with extenuating circumstances will have the opportunity to appeal the loss of the CCPG.

Federal Pell Grant

Federal Pell Grant is awarded to eligible undergraduate students to assist in paying for educational expenses and is awarded based on financial need. Unlike loans, Pell Grants do not have to be repaid (unless you withdraw from courses and owe a refund or do not successfully pass your courses). The information that you provide on the Free Application for Federal Student Aid (FAFSA) is used to produce an Student Aid Index (SAI). This SAI number will determine if you are eligible for the Pell Grant and for how much.

How much you receive will depend not only on your SAI but also on your enrollment intensity and whether you attend school for a full academic year. Once you have completed the application procedure with the SFS office, your Pell Grant eligibility will be determined. You will receive an offer letter via your RCCD student email indicating that your award has been posted on your Student Portal. The offer letter on your Student Portal will list how much financial aid you have been awarded. Offer letters are based on full-time enrollment (12.0 units) and disbursements are adjusted based on actual units enrolled.

Please note that you may not receive Pell Grant funds from more than one school for the same period of enrollment.

California Dream Act

The California Dream Act was signed into law on October 8, 2011 and became effective January 1, 2013. The California Dream Act program allows applicants, who do not have a Social Security number, to apply for state financial assistance, such as the CCPG, Cal Grants, Chafee Grant and scholarships. Applicants for these programs must meet the requirements for each program.

Students can apply for state financial assistance programs by filing a California Dream Act application at dream.csac.ca.gov. The above listed financial programs may require additional applications and/or information. For more information, visit the Consumer Guide at www.mvc.edu/financialaid

Scholarships

Moreno Valley College offers scholarships through the RCCD Foundation office and various generous donors. Scholarships are based on a variety of majors, career goals, GPA, community service, and club involvement. RCCD scholarships for continuing and transferring students are available each fall semester, with a deadline of early January.

Information and instructions on how to apply are available at www.mvc.edu/financialaid early each fall semester. Scholarship workshops are held throughout the application period to assist students with the application process and the workshop dates are also available on the website. Applicants chosen for RCCD scholarships are notified in May. The scholarship funds for students continuing at MVC are disbursed during the following fall and spring semesters upon verification of eligibility.

Scholarship funds for students transferring to a university are disbursed to the transfer institution during the next fall semester. Transfer students must return the Transfer Notification with the transfer institution information. RCCD scholarships for high school seniors are available beginning in January to apply by the end of April. A partnership between RCCD, California Baptist University, La Sierra University and the University of Redlands created the Community Scholars scholarship. This is a \$7,000 scholarship offered to Riverside County high school seniors who will attend any college within the District for two years and transfer to one of the universities mentioned above for two years. The application is available at each high school and also at www.mvc.edu/financialaid in January.

There are many resources and opportunities for students to find scholarships to use while attending MVC. It requires time and effort on the part of the student to locate and apply for outside scholarships.

A list of scholarships is available online at www.mvc.edu/financialaid or in the SFS office. Additional scholarship resources can be found on the internet at free scholarship search sites such as www.fastweb.com, www.scholarshipexperts.com, www.scholarships.com, and www.scholarsite.com. If you are awarded a scholarship from an outside source, follow the donor's directions on how to

3. Expulsion -- Within five (5) days after the meeting described above, the Vice President of Student Services or designee shall decide whether to recommend expulsion to the Chancellor. Written notice of the Vice President's or designee's decision shall be provided to the student. VI. Hearing Procedures

- C. Hearing Panel -- The hearing panel for any disciplinary action shall be composed of one administrator, one faculty member and one student.

The President of the Academic Senate shall, at the

beginning of the academic year, establish a list of at least five faculty who will serve on student disciplinary hearing panels. At the time that a hearing is requested, the President will notify the Associated Students President who will provide the name of a student to serve on the panel. This name shall be provided within 48 hours. The President or designee shall appoint the hearing panel from the names on these lists. However, no administrator, faculty member or student who has any personal involvement in the matter to be decided, who is a necessary witness, or who could not otherwise act in a neutral manner shall serve on a hearing panel.

- D. Hearing Panel Chair -- The President or designee shall appoint one member of the panel to serve as the chair. The decision of the hearing panel chair shall be final on all matters relating to the conduct of the hearing unless there is a vote by both other members of the panel to the contrary.
- E. Conduct of the Hearing -- The hearing will comply with principles of due process, including the right to confront and cross examine witnesses. The following procedure will be followed:
 1. The members of the hearing panel shall be provided with a copy of the accusation against the student and any written response provided by the student before the hearing begins.
 2. The facts supporting the accusation shall be presented by the administrator who issued the disciplinary action.
 3. The administrator and the student may call witnesses and introduce oral and written testimony relevant to the issues of the matter.
 4. Formal rules of evidence shall not apply. Any relevant evidence shall be admitted.
 5. Unless the hearing panel determines to proceed otherwise, the administrator and student shall each be permitted to make an opening statement. Thereafter, the administrator shall make the first presentation, followed by the student. The administrator may present rebuttal evidence after the student completes his or her evidence. The burden shall be on the administrator to prove by a preponderance of the evidence that the facts alleged are true.

6. The student may represent himself or herself, and may also have the right to be represented by a person of his or her choice, except that the student shall not be represented by an attorney unless, in the judgment of the hearing panel, complex legal issues are involved. In that case, and if the student wishes to be represented by an attorney, a request must be presented not less than five (5) days prior to the date of the hearing. If the student is permitted to be represented by an attorney, the administrator may request legal assistance. The hearing panel may also request legal assistance; any legal advisor provided to the panel may sit with it in an advisory capacity to provide legal counsel but shall not be a member of the panel nor vote with it.
7. Hearings shall be closed and confidential unless the student requests that it be open to the public. Any such request must be made no less than five (5) days prior to the date of the hearing.
8. In a closed hearing, witnesses shall not be present at the hearing when not testifying, unless all parties and the panel agree to the contrary.
9. The hearing shall be electronically recorded by the District, and shall be the only recording made. No witness who refuses to be recorded may be permitted to give testimony. In the event the recording is by tape recording, the hearing panel chair shall, at the beginning of the hearing, ask each person present to identify themselves by name, and thereafter shall ask witnesses to identify themselves by name. Tape recording shall remain in the custody of the District at all times, unless released to a professional transcribing service. The student may request a copy of the tape recording.
10. All testimony shall be taken under oath; the oath shall be administered by the hearing panel chair. Written statements of witnesses under penalty of perjury shall not be used unless the witness is unavailable to testify. A witness who refuses to be tape recorded is not unavailable.
11. Within five (5) days following the close of the hearing, the hearing panel shall prepare and send to the President, a written decision. The decision shall include specific factual findings regarding the accusation, and shall include specific conclusions regarding whether any specific section of the

Standards of Student Conduct were violated. The decision shall also include a specific recommendation regarding the disciplinary action to be imposed, if any. The decision shall be based only on the record of the hearing, and not on matter outside of that record. The record consists of the original accusation, the written response, if any, of the student, and the oral and written evidence produced at the hearing.

VII. President's Decision

Upon receipt of the Hearing Panel's decision, the President of the College will consider the decision of the Panel.

- A. Long-term suspension -- Within five (5) days following receipt of the hearing panel's recommended decision, the President shall render a final written decision. The President may accept, modify or reject the findings, decisions and recommendations of the hearing panel. If the President modifies or rejects the hearing panel's decision, the President shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The decision of the President shall be final.

The President will forward his or her decision to the Chancellor with a copy to the hearing panel.

VIII. Chancellor's Decision

The Chancellor will review any recommended expulsions. Within five (5) days following receipt of the President's recommended decision, the Chancellor shall render a written recommendation decision to the Board of Trustees. The Chancellor may accept, modify or reject the findings, decisions and recommendations of the President. If the Chancellor modifies or rejects the President's decision, he or she shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The Chancellor's decision shall be forwarded to the Board of Trustees, with a copy to the President.

IX. Board of Trustees Decision

The Board of Trustees shall consider any recommendation from the Chancellor for expulsion at the next regularly scheduled meeting of the Board after receipt of the recommended decision.

The Board of Trustees shall consider an expulsion recommendation in closed session, unless the student has requested that the matter be considered in a public meeting in accordance with these procedures. (Education Code Section 72122)

The student shall be notified in writing, by registered or certified mail or by personal service, at least three days prior to the meeting, of the date, time, and place of the Board's meeting.

The student may, within two (2) days after receipt of the notice, request that the hearing be held as a public meeting.

Even if a student has requested that the Board of Trustees consider an expulsion recommendation in a public meeting, the Board of Trustees will hold any discussion that might be in conflict with the right to privacy of any student other than the student requesting the public meeting in closed session.

The Board of Trustees may accept, modify or reject the findings, decisions and recommendations of the Chancellor and/or the hearing panel. If the Board of Trustees modifies or rejects the decision, the Board shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The decision of the Board of Trustees shall be final.

The final action of the Board of Trustees on the expulsion shall be taken at a public meeting, and the result of the action shall be a public record of the District.

Any times specified in these procedures may be shortened or lengthened if there is mutual concurrence by all parties.

Student Grievances Process for Instruction & Grade Related Matters

References: Education Code Section 76224
Title 5 Section 55024

I. General Provisions

1. Purpose: The purpose of the Student Grievance Procedure is to provide a means by which a student may pursue a complaint for an alleged violation of college or district policy concerning instruction or to appeal a grade. However, complaints regarding discrimination harassment or retaliation are to be handled in accordance with Administrative Procedure 3435 titled Handling Complaints of Discrimination, Harassment or Retaliation.
2. Scope: Student grievances for matters other than for discipline such as, but not limited to, grade challenges and academic or program issues, will be processed in the following manner. Please note: Per Education code 76224, the instructor's grade is final except in cases of mistake, fraud, bad faith, or incompetency.

A grievable action is an action that is in violation of a written college or district policy or procedure, or an established practice. The basis of the grievance is that an action constitutes arbitrary, capricious, or unequal application of a written college or district policy or procedure or an established practice.

3. Confidentiality: To protect to the maximum extent possible, the privacy of individuals who in good faith file legitimate grievances, these procedures will be considered confidential throughout initial consultation, preliminary and final review, and appeal, unless required to be disclosed pursuant to a court order or state or federal law. Confidentiality will also be afforded the respondent to avoid unwarranted damage to reputation. Breach of confidentiality by any party to the grievance is considered unethical conduct and may be subject to disciplinary action. However, those involved in the hearing process may seek consultation and/or guidance from the District's General Counsel, or academic or student services administrators.

There may be cases where disclosure of part or all of the proceedings and final outcome must be considered to provide a remedy to the student, to correct misperceptions of the reputations of parties to the grievance, or for the best interests of the institution. In these cases, if, and only if, deemed appropriate by majority vote of the grievance committee in concurrence

by the President, public disclosure will be directed through the President's office.

4. Protections for complainants: Any student has the right to seek redress under these procedures and to cooperate in an investigation or otherwise participate in these procedures without intimidation, threat of retaliation or retaliatory behavior. Any such behavior, verbal or written, in response to participation in the grievance process is prohibited and may be regarded as a basis for disciplinary action.
5. Abuse of process: A student must proceed with a complaint in good faith. Abuse of process, malicious complaints or frivolous complaints may be grounds for disciplinary action.

Any such requests must be directed to the committee chair within two (2) days of notification of who the committee members will be and will state the perceived bias or conflict of interest. At that time, the committee chair may excuse that committee member and seek a replacement.
6. Provide, to the parties and Grievance Committee, prior to the hearing, a copy of the document titled Grievance Hearing Protocol, which shall serve as a guideline during the hearing. Any requests for deviations from, or additions to, the hearing protocol, shall be addressed to the Committee Chair who will make the decision on whether or not the deviation or addition will be allowed.
7. Develop a list of questions, or intended areas of inquiry, sending it to both parties and the Grievance Committee at least three (3) days (excluding weekends and holidays) in advance of the hearing.
8. Maintain an official recording (audio or video) of the proceeding which will be kept in a confidential file but be available for review by either party. Individual parties will not be allowed to have their own recording device.
9. Ensure that the formal hearing will be closed to the public.

D. The Grievance Committee will:

1. Judge the relevancy and weight of testimony and evidence. The committee will make its findings of fact, basing its findings on the evidence presented. It will also reach a decision by a simple majority vote for disposition of the case.

2. Submit its findings of fact and disposition to each party and the Vice President within ten (10) days (excluding weekends and holidays) of the completion of the formal hearing.

V. Appeals

- A. Either party, within five (5) days (excluding weekends and holidays) of receipt of the Committee's decision, may appeal the decision to the President. The President may:

1. Concur with the decision of the Committee, or
2. Modify the Committee's decision.

The President will submit his/her decision to each party within ten (10) days (excluding weekends and holidays) of receipt of the Committee's decision.

PROHIBITION OF HARASSMENT AND RETALIATION

References: Education Code Sections 212.5, 44100, 66252, 66262.5, and 66281.5; Government Code Sections 12923, 12940, and 12950.1; Civil Code Section 51.9; Title 2 Sections 10500 et seq.; Title VII of the Civil Rights Act of 1964, 42 U.S. Code Section 2000e; Age Discrimination in Employment Act of 1967 (ADEA); Americans with Disabilities Act of 1990 (ADA)

All forms of harassment are contrary to basic standards of conduct between individuals. State and federal law, as well as this policy, prohibit harassment, and the District will not tolerate harassment. The District is committed to providing an academic and work environment that respects the dignity of individuals and groups. The District shall be free of unlawful harassment, including that which is based on any of the following statuses: race, religious creed, color, national origin, ethnicity, ancestry, immigration status, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military or veteran status, or because the person is perceived to have one or more of the foregoing characteristics.

The District seeks to foster an environment in which all employees, students, unpaid interns, and volunteers feel free to report incidents of harassment without fear of retaliation or reprisal. Therefore, the District also strictly prohibits retaliation against any individual for filing a complaint of harassment or for participating in a harassment investigation. Such conduct is illegal and constitutes a violation of this policy. The District will investigate all allegations of retaliation swiftly and thoroughly. If the District determines that someone has retaliated, it will take all reasonable steps within its power to stop such conduct. Individuals who engage in retaliatory conduct are subject to disciplinary action, up to and including termination or expulsion.

Any student, employee, unpaid intern, or volunteer who believes that harassment or retaliation has occurred in violation of this policy should immediately report such incidents by following the procedures described in AP 6435 Discrimination and Harassment Complaints and Investigations. The District requires supervisors to report all incidents of harassment or retaliation that come to their attention.

This policy applies to all aspects of the academic environment, including but not limited to classroom conditions, grades, academic standing, employment opportunities, scholarships, recommendations, disciplinary actions, and participation in any community college activity.

In addition, this policy applies to all terms and conditions of employment, including but not limited to hiring, placement, promotion, disciplinary action, layoff, recall, transfer, leave of absence, training opportunities, and compensation.

The Chancellor shall establish procedures that define harassment on campus and in District programs, activities, and employment. The Chancellor shall further establish procedures for employees, students, unpaid interns, volunteers, and other members of the District community that provide for the investigation and resolution of complaints regarding discrimination and harassment, and procedures to resolve complaints of harassment and discrimination. State and federal law and this policy prohibit retaliatory acts by the District, its employees, students, and agents.

To this end, the Chancellor shall ensure that the institution undertakes education and training activities to counter harassment and to prevent, minimize, and/or eliminate any hostile environment that impairs access to equal education opportunity or impacts the terms and conditions of employment.

The District will publish and publicize this policy and related written procedures, including the procedure for making complaints, to administrators, faculty, staff, students, unpaid interns, and volunteers particularly when they are new to the institution. The District will make this policy and related written procedures (including the procedure for making complaints) available in all administrative offices and will post them on the District's website.

Employees who violate this policy and related procedures may be subject to disciplinary action up to and including termination. Students who violate this policy and related procedures may be subject to disciplinary measures up to and including expulsion. Unpaid interns who violate this policy and related procedures may be subject to disciplinary measure up to and including termination from the internship or other unpaid work experience program.
